Dear Friends & Family of Calvary Place

It is hard to believe that Christmas is just around the corner.

We continue to monitor residents and staff closely and continue to work hard to keep COVID-19 out of Calvary Place. The staff continue to do an amazing job.

Due to the rapid emergence of the Omicron variant, guidelines continue to also change rapidly.

We ask that everyone continue to be diligent in keeping COVID-29 at bay:

- Please do not visit if you are feeling unwell
- Wash your hands frequently
- Utilize hand sanitizer
- Wear a face mask
- Wear eye protection when in close contact with the resident
- Get vaccinated against COVID-19

Please note that Calvary Place's Rehab Aide is currently away for a number of months. As such, we are actively pursuing other avenues to ensure resident exercise and walking programs will continue. Once I receive more information in this regard, I will send out an update.

On behalf of Calvary Place Personal Care Home, I would like to wish you all a Merry Christmas and a Happy New Year. I sincerely wish you all the best in 2022.

Stay health and safe.

Thank you all so much for your continued prayers and support.

Sincerely

Helmut

Stay safe.

Thanks
